

**Product Name :**  
Astra Scientific Jaw Crusher

**Product Code :**  
ASTAGGRE-0009

**Description :**

Astra Scientific Jaw Crusher

**Technical Specification :**

Specification:

- Compact and rugged for laboratory and small production units
- Designed for speed crushing
- Discharge opening adjustment range: 3 - 10mm
- Manganese steel jaws adjustable up to 6 mm opening
- 250 kg materials can be crushed in approx eight hours
- Supported with strong steel frame
- Voltage: 440 V, Three Phase A.C. Supply

Capacity Size	Shower Size
150 Kg/hr.	(150x150mm)
300 Kg/hr.	(300x200mm)
450 Kg/hr.	(450x300mm)
600 Kg/hr.	(600x400mm)
750 Kg/hr.	(750x600mm)
