

Product Name :
Automotive Multimeter

Product Code :
LABUK-AP12LAB0017

Description :

Automotive Multimeter

Technical Specification :

Low battery indication

Data hold

Diode Continuity Buzzer

Dwell: Measure the dwell angle of points-Type

Ignition systems

RPM Measure

DC V: 1000V

ACV:750V

DC Current: 10A

Resistance: 20M

Display Count: 2000

Input impedance for D V: 10M

Power: 9V

LCD: 60 x 54 mm

Warranty for 3 years

Operation Manual would be provided.
