

Product Name :
Astra Rotary Vacuum Evaporator

Product Code :
ASTRALAB-SUPPLYA4005

Description :

Astra Rotary Vacuum Evaporator

Technical Specification :

The rotary vacuum evaporator has double condensers and double receiving bottles can greatly improve work efficiency.

Rotary vacuum evaporator has two receiving bottles and two condensers

High recovery rate

Good air tightness

Reasonable structure

Patented technology and appearance

Innovative and simple elegance

Safe operation and spring valve protection glass

High quality borosilicate glass suitable for various applications

Exclusive use of non-corrosive stainless steel, long service life
