

Product Name :
Universal Testing Machines Laboratory

Product Code :
ASTRALAB-SUPPLYA37001

Description :

Universal Testing Machines Laboratory

Technical Specification :

Hydraulic Servo Universal Testing Machines Steel Strand Type Manual Operation

Computerized Hydraulic Universal Testing Machine Strength Test

Hydraulic Servo Universal Testing Machines High Accuracy

Electro Hydraulic Servo Universal Testing Machines

Hydraulic Servo Universal Testing Machines With High Accuracy No Interstice

Computerized Hydraulic Servo Universal Testing Machines

Microcomputer Control Hydraulic Servo Universal Testing Machines, high accuracy

Microcomputer Control Electro Hydraulic Servo Universal Testing Machines
