

Product Name :
Combustion And Fuel Gas Emissions Analyser

Product Code :
ASTRALAB-SUPPLYA51001

Description :

Combustion And Fuel Gas Emissions Analyser

Technical Specification :

Combustion and Flue Gas Emissions Analyzer comprising:

a case and carrying strap hand held remote unit

oxygen sensor

CO sensor (H2 compensated)

300 mm flue gas probe

Printer

battery charger

water trap

SO2 filter

5 m probe extension lead

2 printer paper rolls

Address: K-88, 20th Street, Annanagar, Chennai, India – 600040 **Phone:** +91-8860605265
