

Product Name :
Avionics And Instruments Training Equipment Laboratory

Product Code :
ASTRALAB-SUPPLYA60001

Description :

Avionics And Instruments Training Equipment Laboratory

Technical Specification :

- Aircraft Data Bus Trainer
- Aircraft DME System Trainer
- Aircraft Global Positioning System Trainer
- Electronic Flight Instrument System Trainer
- Avionics System Trainer
- Aircraft ADI And HSI System Trainer
- Autopilot And Automatic Flight Controls Trainer
- Aircraft Radio Altimeter System Trainer
- Instrument Landing System Trainer
- Aircraft ADF System Trainer
- Two Axis Digital Autopilot Trainer
- Cockpit Instrumentation Trainer
- Aircraft Autopilot System Trainer
- EFIS And EICAS Trainer
- GPS Navigation System Trainer
- Aircraft Navigation Systems Trainer

Basic EFIS Trainer
