

Product Name :
Wind Turbine Dynamometer Range Equipment Laboratory

Product Code :
ASTRALAB-SUPPLYA98001

Description :

Wind Turbine Dynamometer Range Equipment Laboratory

Technical Specification :

Mini Magnetic Field Demonstration Unit

Mini Axial Flow Propeller Turbine Test Set

Wind Turbine Trainer Unit

Pelton Turbine Test Set

Mini Axial Flow Propeller Turbine Demonstration Unit

Mini Axial Flow Impulse Turbine Demonstration Unit

Compact Pelton Turbine Test Set

Mini Turbine Unit

Mini Kaplan Turbine Demonstration Unit

Kaplan Turbine Test Set

Wind Generator Set Equipment

Compact Kaplan Turbine Test Set

Compact Cross Flow Turbine Test Set

Mini Kaplan Turbine Test Set

Mini Hydro Power Plant

Mini Pelton Turbine Test Set

Cross Flow Turbine Test Set

Multi Turbine Test Set

Mini Axial Flow Impulse Turbine Test Set
