

Product Name :
Chop Saw Machine

Product Code :
ASAV77

Description :

Chop Saw Machine Chop saw Quick release vice for fast clamping; 4-1/2" cutting capacity;
Shaft lock for easy wheel change,
Blade Diameter: 355mm;
Rated Voltage: 240/110V; 50/60Hz;
Rated Input Power: 1800W;
Utilizes dry (a.k.a. cold) cut technology which will cut on average three times faster than an abrasive machine and costs 1-1/2 times less to operate. The saw produces little to no sparks when cutting and leaves a virtually burr-free finish. The base is a heavy-duty cast aluminum reinforced with a 1/4 inch steel plate. The vise and back fence is tool free. The horizontal D-handle provides optimum comfort whether the tool is on the ground or sitting on a bench.
