

Product Name :
Cathode Ray Oscilloscope

Product Code :
AEE 6

Description :

- Cathode Ray Oscilloscope • Wide spectral range up to 3.5 THz (116 cm⁻¹)
- Excellent spectral resolution better than 5 GHz (0.17 cm⁻¹)
 - High power S/N ratio >106:1 at 0.4 THz
 - Real-time data acquisition up to 10 spectra/s
 - “No bearing” design of fast delay line – virtually unlimited lifetime
 - Transmission and reflection modes
 - High spatial resolution THz imaging
 - Complete PC control
