

**Product Name :**  
Auger Power Head

**Product Code :**  
ASTSOIL-0022

**Description :**

Auger Power Head

**Technical Specification :**

Specification: Used in conjunction with sampling tube to obtain disturbed or undisturbed samples of soils. Two models available.

Auger power head, 2 HP, two stroke engine, complete with 80 mm dia. auger

Auger power head, 4.5 HP, four stroke engine, reversing gear.

Augers and extension rods for 0009/M

0009/M1

Auger dia. 100x1000 mm

0009/M2

Auger dia. 150x1000 mm

0009/M3

Auger dia. 200x1000 mm

0009/MEX

Extension rod 1000 mm long

<p>#45                  Piston displacement (cc)</p>		
<p>#45                  Engine (stroke)</p>		
<p>#45                  Gas mixture</p>		
<p>#45                  Electronic</p>		
<p>#45                  No gas dia 300 mm                  length included</p>		
<p>#45                  Max drilling capacity (dia.)</p>		
<p>#45                  Max drilling depth</p>		

Operator		
Weight approx.: kg
