

Product Name :
Astra Scientific Sand Equivalent Test Set

Product Code :
ASTAGGRE-0034

Description :

Astra Scientific Sand Equivalent Test Set

Technical Specification :

Specification: he two sets comprises: four measuring cylinders, two rubber stoppers, measuring can, irrigator tube, siphon assembly with bottle, weighted foot, funnel, graduated rule, 1 liter of stock solution (packed separately) and plastic carrying case. Each item can be ordered individually (see spare parts). All items are housed in the plastic carrying case except the Siphon assembly with Stock solution bottle which are packed separately.

The two sets are identical except for the four measuring cylinders which are totally graduated in the ASTM/AASHTO version and for the weighted foot which is slightly different.

For a reliable test result we recommend the use of a mechanical shaker.
