

Product Name :
Astra Scientific Arc Welding Machine

Product Code :
CNCWORK0038

Description :

Astra Scientific Arc Welding Machine

Technical Specification :

STEP type voltage control

Rugged and robust design

Ideal for construction/ site work

No breakdown

Minimum maintenance

Low running cost

Sturdy and proven construction

Burn back facility

100% copper winding

Supply voltage 380-440 V 380-440 V 380-440 V

Phase 3 3 3

Open circuit voltage 18-44 V 18-52 V 18-58 V

Welding current range 50-250 A 70-400 A 100-600 A

Welding current at 60% Duty Cycle 250 A 400 A 600 A

Class of insulation H H H Permissible wire dia (mm) 0.8 0.8-1.2 0.8-1.6
