

Product Name :
Spectrophotometer, Digital, Single Display

Product Code :
ANALYTICAL SUK-AS03LAB107

Description :

Spectrophotometer, Digital, Single Display

Technical Specification :

- An economical, reliable, rugged and most accurate system for spectrophotometric analysis of any concentration.
- Desired wavelength can be selected by adjusting the disc at the top panel.
- Direct concentration facility.
- Single digital display.
- 10mm path length
