

Product Name :
Green Technology Equipments Laboratory

Product Code :
ASTRALAB-SUPPLYA22001

Description :

Green Technology Equipments Laboratory

Technical Specification :

- Turbine Electric Hub Troubleshooting Learning System
- Solar Site Analysis
- Wind Turbine Generator Control Troubleshooting Learning System
- Mechanical Drives Wind Technology
- Solar And Wind Alternative Energy Training System
- Solar Photovoltaic Installation Learning System
- Turbine Nacelle Troubleshooting Learning System
- Solar PV Installation
- Solar Thermal Troubleshooting Open Loop Learning System
- Solar Photovoltaic Troubleshooting Learning System
- Solar Thermal Cold Water Supply Station
- Solar Thermal Troubleshooting Closed Loop Learning System
- Solar Thermal Installation Learning System
- Solar Thermal Sun Simulator
