

**Product Name :**  
Control Engineering Equipments Laboratory

**Product Code :**  
ASTRALAB-SUPPLYA27001

**Description :**

Control Engineering Equipments Laboratory

**Technical Specification :**

Servo Trainer

Temperature Process Training System

Level Process Training System

Engineering Science Work Panel

Ball And Hoop Apparatus

Controller Trainer

Helicopter Model

Ball And Beam Apparatus

Coupled Tanks Apparatus

Coupled Drives Apparatus

Multivariable Coupled Tanks

Magnetic Levitation Apparatus

Programmable Logic Controllers PLC Process

Process Trainer

Thermal Control Process Apparatus

Control And Instrumentation Study Station

Digital Interface Trainer

Pressure Process Training System

Engine Speed Control Apparatus

Flow Process Training System

Ball And Plate Apparatus
