

Product Name :
Vocational Training Unit Laboratory

Product Code :
ASTRALAB-SUPPLYA28001

Description :

Vocational Training Unit Laboratory

Technical Specification :

Fire Alarm Trainer

Hermetic Refrigeration Training Unit

Absorption Refrigeration Demonstrator

Basic Installation Training Package Unit

Reverse Cycle Refrigeration And Air Con Training Unit

Commercial Refrigeration Training Unit

Advanced Training Unit For Fault Location

Acoustic Impedance Tube

Water Chiller Trainer Unit

Ref AC Control And Fault Trainer

Check Valve Assembly

Visual Refrigeration Training Unit

Advanced Refrigeration Training Unit

Automotive Air Conditioning Trainer
