

Product Name :
Steam Power Plant Laboratory

Product Code :
ASTRALAB-SUPPLYA53001

Description :

Steam Power Plant Laboratory

Technical Specification :

Steam Power Plant 20kW with Process Control System

Reciprocating Steam Engine Bench

Steam Power Plant 1,5kW with Process Control System

Steam Power Plant 1,5Kw

Rankine Cycle Steam Turbine

Lagging Efficiency Steam Bench

Water Treatment Studies Bench

Steam Boiler Bench

Separating and Throttling Calorimeter Bench

Pressure and Temperature Vessel Bench

Manual Batch Reaction Plant
