

**Product Name :**  
Hydraulics And Hydrology Instruments Laboratory

**Product Code :**  
ASTRALAB-SUPPLYA54001

**Description :**

Hydraulics And Hydrology Instruments Laboratory

**Technical Specification :**

River Flow Simulator Experiment

Vernier Hook And Point Gauges

Laboratory Flumes And Channels

Series Liquid Manometers Apparatus

Propeller Velocity Flowmeter

Wave Probe System

Sediment Transport Demonstration Channel

Drainage And Seepage Tank

Mobile Bed and Flow Visualisation Tank

Tripod Stands

Digital Hook And Point Gauges

Rainfall Hydrographs

Miniature Propeller Probes

Advanced Hydrology Study System

Laser PIV System

Glass Sided Tilting Flume Experiment
