

Product Name :
Wire Testing Machine Laboratory

Product Code :
ASTRALAB-SUPPLYA67001

Description :

Wire Testing Machine Laboratory

Technical Specification :

Bow Type Drop Optical Cable Tensile Testing Machine

Micromputer Control Optical Cable Torsion Testing Machine, Automatically Records

Computerized Optical Cable Impact Testing Machine

Microcomputer Control Optical Cable Reciprocating Bend Testing Machine

Bow Type Drop Optical Cable Testing Machine

Micro Computer Control Bow type Drop Cable Performance Instrument Set

Optical Cable Wire Testing machine with Micromputer Control
