

Product Name :
Electronic Trainer Equipment Breadboard Laboratory

Product Code :
ASTRALAB-SUPPLYA75001

Description :

Electronic Trainer Equipment Breadboard Laboratory

Technical Specification :

Compressor Trainer Single and Duplex Compressor

Advanced Digital Training System

Digital Trainer

Tank Level Flow Trainer With PLC

Analog Overlay Learning System

Binary Distillation Trainer With DCS Control

Gas Absorption Trainer With DCS Control

Analog Lab

IC Tool

Steam Electrical Generator Trainer

Three Phase Separation Trainer With DCS Control

Chemical Reactor Process Trainer With PLC

Digital Lab

Flash Drum Trainer With PLC

Fluidized Catalytic Cracker Unit

Digital-Analog Training System

Power Project Board Circuit Lab

Heat Exchanger Trainer With PID Loop Control

Logic Trainer

Triangle Of Forces Apparatus

Mini Plant Large Scale Three Phase Separator
