

**Product Name :**  
Stress Relaxation Testing Machine Laboratory

**Product Code :**  
ASTRALAB-SUPPLYA94001

**Description :**

Stress Relaxation Testing Machine Laboratory

**Technical Specification :**

Microcomputer Control Tensile Stress Relaxation Testing Machine

Computerized Stress Relaxation Tester

Computerized Hydraulic Servo Static Load Anchor Testing Machine

High Precision Stress Tensile Relaxation Testing Machine

Microcomputer Control Electro-Hydraulic Servo Static Load Anchor Testing Machine

Tensile Stress Relaxation Testing Machine

Electro Hydraulic Servo Microcomputer Control Static Load Anchor Testing Machine

Micro Computer Control Tensile Stress Relaxation Testing Machine

Electronic Tensile Stress Relaxation Testing Machine
