

**Product Name :**  
Resistance Dynamometers Laboratory

**Product Code :**  
ASTRALAB-SUPPLYA104001

**Description :**

Resistance Dynamometers Laboratory

**Technical Specification :**

Electric Single Component Balances  
Open Water Propeller Dynamometers  
Contra Rotating Propeller Multi Purpose Propulsion Dynamometer  
Open Water Podded Propeller Dynamometer  
Watertight Propeller Dynamometer  
Watertight Model Self-Propulsion Propeller Dynamometer  
Resistance Dynamometers  
Electric Open Water Propeller Dynamometers  
CRP Dynamometers  
Multi Component Balances  
Traditional 3 Component Resistance Dynamometer  
Ship And Yacht Model Balance
