

Product Name :
Compressible Fluid Flow Equipment Laboratory

Product Code :
ASTRALAB-SUPPLYA105001

Description :

Compressible Fluid Flow Equipment Laboratory

Technical Specification :

Compressible Flow Base unit
Nozzle Pressure Distribution Module
Pressure Measurement Bench
Reaction Turbine Module
Two Stage Compressor Test Unit
Impulse Turbine Module
Compressible Flow Pipe Friction Module
Nozzle Performance Test Module
Fluid Bed Heat Transfer Module
Deadweight Tester
Single Stage Compressor Test Unit
