

Product Name :
Vertical Wood Milling Machine

Product Code :
ASTRALAB-SUPPLYA113002

Description :

Vertical Wood Milling Machine

Technical Specification :

These machines are easily operated with less input and great output.

Milling Machine is rigid in state and is offer hurdle free performance.

Maximum Cutting height :120mm

Spindlerotation:8000r/min

Installed power :3-4Kw

Size of working Table : 1130X670

Over all Dimensions:1130X670X1000,

With all accessories
