Description :
Industrial Refrigeration Unit
Technical Specification :
<p>An easy matter for decision makers in commercial refrigeration to make a definitive choice when it comes to refrigerants and system type.</p> <p>For the last decade, many refrigerant options and system architectures have appeared both on paper and in practice.</p> <p>The sector has been in the environmental spotlight in recent years, especially as leakage studies have revealed the true effects of KTSPL</p>

emissions in centralized systems.

Considerable reductions in emissions are certainly possible, but they do require changes.
