

Product Name :
Length Comparator

Product Code :
ASTCEMENT-0004

Description :

Length Comparator

Technical Specification :

General Properties:

This apparatus is used for a number of length measurements concerning mainly cement and mortar specimens with different lengths. For this reason the reference rods are not included and have to be ordered separately, consulting for an easy and quick choice, the specification table. Two column steel frame with adjustable top anvil to suit the specimen length. Fit with a digital gauge 12.5x0.001 mm.

- Dimensions: 180x180x490 mm
- Weight approx.: 10.5 kg

Including digital gauge 12.5x0.001 mm with serial output for PC connection.
