

Product Name :
Crack Measuring Microscope

Product Code :
ASTConcrete-0052

Description :

Crack Measuring Microscope

Technical Specification :

Standards:

General description: A high quality microscope designed for measuring crack widths in concrete members, masonry walls and other structures. The apparatus operates by an adjustable lamp unit and the image is focused by turning a knob. The eyepiece scale can be turned through 360° to align with the direction of the crack or pitch under examination.
